KBI Global Investors Limited (KBI) is an established institutional asset manager with headquarters in Dublin, Ireland. The firm has been managing assets for institutional investors since 1980 and currently manages specialist strategies for public and corporate pension schemes, sub-advisory investors and foundations/endowments in Ireland and overseas. Investment services are offered on both a segregated and unitised basis.

Currently, KBI is delighted to announce new employment opportunities which have arisen across the firm's **Sales Support, Client Servicing, Business Development and Performance Measurement units**. We are recruiting committed, enthusiastic, self-motivated individuals who want to work for a boutique asset manager focusing on a platform of specialised investment products but happy to "get stuck in" as the same time. Along with 2-3 years' industry experience in an investment/asset manager background we want to meet interesting people who prove to be the "right" fit for our business.

Successful candidates will enjoy a competitive salary [depending on experience] and a generous benefits package, 26 days of annual leave per year [plus bank holidays] and, an ideal city centre location close to Connolly and Tara Street DART stations as well as Busarus. KBI offers a range of additional benefits to you and your family such as fully funded health insurance, flexible benefits towards class/club membership, professional memberships, a non-contributory defined contribution pension scheme to mention but a few.

What next?
